About Life Of Cowie

Life Of Cowie is a popular Wordpress blog. On this blog, Cowie, the five year old toy cow, writes about his “Cool Life and interesting stories”

As Cowie is nearing his 3,000th view on his blog, Cowie has decided to publish his first magazine and he plans to publish others.

If you have yet to experience the wonders of his blog, visit www.lifeofcowie.wordpress.com and enjoy!

This magazine has been written by Cowie, himself, and he hopes that you find it as fun to read as he did to write (he enjoyed writing it)

Meet Cowie

Hi there!

Let me introduce myself. I'm Cowie.

I'm Five years old

I'm not musical, but love singing along to the 'Timmy Time' intro.

I love chess

I have one broken eye

I enjoy drawing

I like eating Cheerios and ice cream. YUM!

Cowie's Travels

As I love to explore, being the adventurous cow I am, I have visited many countries, including Germany, Spain, Italy and Greece.

Let me look back at my collection of pictures from my trip to Italy.

ITALY

My trip to Italy was interesting.

Whilst in Italy, I enjoyed hangin' with the teachers (it was a school trip). I also found it rather amusing seeing a 'Polizia' car. Polizia! What a great sense of humour I have. It was nice being in a different country, but also strange. You know when you forget you're in a different country, and suddenly say to yourself "OH! I'm in Italy!" – I did that a lot.

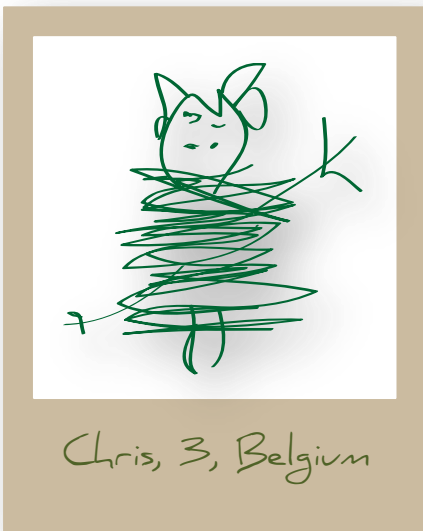

I liked it in Italy, but all I seemed to eat was pizza (and chips), but no Cheerios. How did I live without cheerios?!?

Favourite Quotes

I love reading, so recently I have been writing down lines from books that amuse me.

Some of my favourites are:

~**Agatha Christie, *The mysterious affair at Styles***

“To speak or not to speak,” as your so great Shakespeare says, “that is the question”.’

I did not trouble to correct the quotation.

~**J.R.R. Tolkien, *The Hobbit***

In a hole in the ground there lived a hobbit.

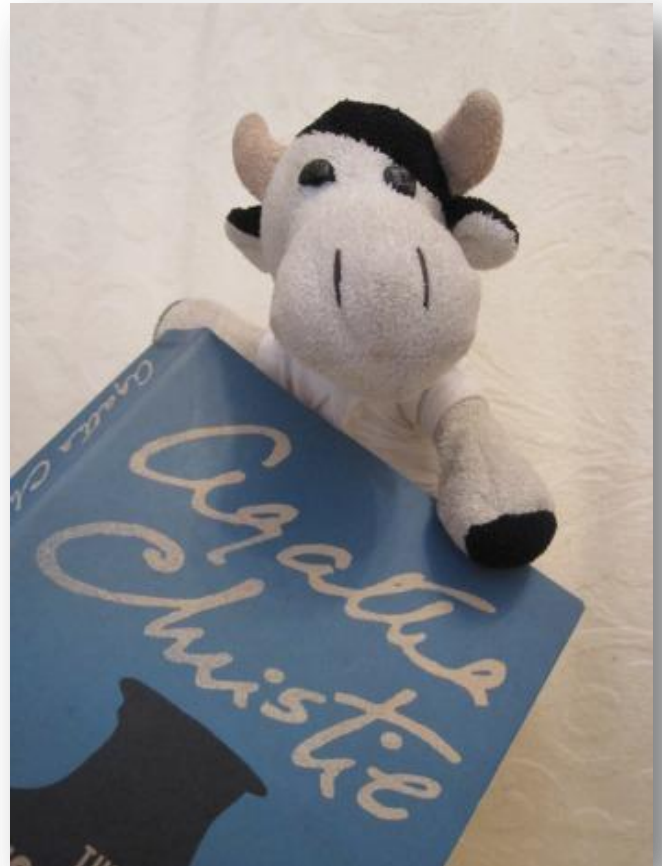

~**Meg Rosoff, *Just in Case***

Justin stared. ‘My dog is imaginary.’

‘Oh.’ Peter looked interested. ‘That’s unusual.’

~**Agatha Christie, *Peril at End House***

‘You are the type of man who invests in doubtful oil fields, and non-existent gold mines. From hundreds like you, the swindler makes his daily bread.’

Fashion!

Personally, I think that there is nothing more exciting than fashion. I love designing clothing. However, I'm stuck for ideas at the moment. Could you help me out by designing a T-Shirt for me? Draw it on the image below:

Bullying

Never have I bullied anyone in my life, but I have been bullied before. For some reason, as I'm a little smaller and a little different from everyone else at my school, I seem to be an easy target.

Just joining in with a conversation, people were shouting abuse at me.

Cowie Jim-Hudson Ash Why am I not valued as much as everyone else? :(

If you ever get bullied or called names, tell someone. I did, and now it has all been sorted (I think).

When I wrote about the bullying on my Wordpress blog, I got some lovely, thoughtful responses. It's nice to know who your true friends are.

Some people are just extremely thoughtless. Best to ignore them. I hope they don't do it again.

Don't listen to them. Its so easy to bully people on the internet because the don't have to face you in real life.

Although the bullying has stopped, since it happened I haven't been on Facebook much. Some of the things those people said still remain with me to this day. I will never forget them. It's such a shame that not everyone can respect people for who they are.

Every day, I tell myself:

I'm Cowie. I'm a toy cow. I may be a little bit shorter and younger than everyone at the school I go to, but I'm proud of who I am. I won't let anyone get me down.
